1. Update: Beauty of the Count

Call for Artists and Prospectus:

Mar Valdecantos has translated the Prospectus into Spanish.

Heather will add images of examples of such artwork, create a posting and post both English and Spanish calls on the Arts Guild webpage.

Kathy Vizinia will post on the ACC and City Webpages. She will post in the Link Newsletter as well. Plus Kathy will answer or direct inquiries.

Thank you Mar, Heather, and Kathy!

2. The Northfield News published my column on The Beauty of the Count early October.

Respectfully submitted,
