

TOBACCO

~~eighteen~~ **twenty-one**

“Raising the legal minimum age for cigarette purchase to 21 could gut our key young adult market (17-20).”

—Phillip Morris Executive

How We Got Here

- Introduction by ASAP & Coalition Members
- How/ Why we are here
- Coalition statements

“Tobacco 21 – An Idea Whose Time Has Come”

Winickoff, J. et al, 2014.

Nicotine Addiction and Youth

- Brain development continues until mid-20s
 - Decision making
 - Impulse control
 - Sensation seeking
 - Peer Pressure
- Adolescent brains are uniquely vulnerable to addiction

The Problem- statewide

Percent of Minnesota students who vaped in the past 30 days

2019 Minnesota Student Survey

Significant increases among students in all grades from 2016-2019.

Grade 8: **95%** increase

Grade 9: **75%** increase

Grade 11: **54%** increase

The Problem- Northfield

Figure 1: Percent of Northfield Students Who Vaped in the Past 30 Days, 2016 and 2019

Northfield's significant increases among students in all grades from 2016-2019.

Grade 8: 891% increase

Grade 9: 141% increase

Grade 11: 105% increase

Rice County Public Health

Youth e-cigarette use is a public health threat. The FDA has even called it an epidemic.

- **95% of current smokers started** before the age of 21.
- Youth who use e-cigarettes are almost **4 times more likely** to move onto cigarettes.
- Having the **first cigarette by age 18** makes it **twice as likely** to become a lifelong smoker.
- We are in a **youth e-cigarette epidemic.**

Policy Impact on Initiation

Current Findings

TOBACCO

~~eighteen~~ **twenty-one**

- Chicago reported a **36% decrease** in cigarette and e-cigarette use rates among 18 – 20 year-olds, from 15.2% in 2016 to 9.7% in 2017.
- In California, **statewide retailer violation rates** to under 18 year-olds **decreased** from 10.3% to 5.9% since implementation of T21

Changing the Trend

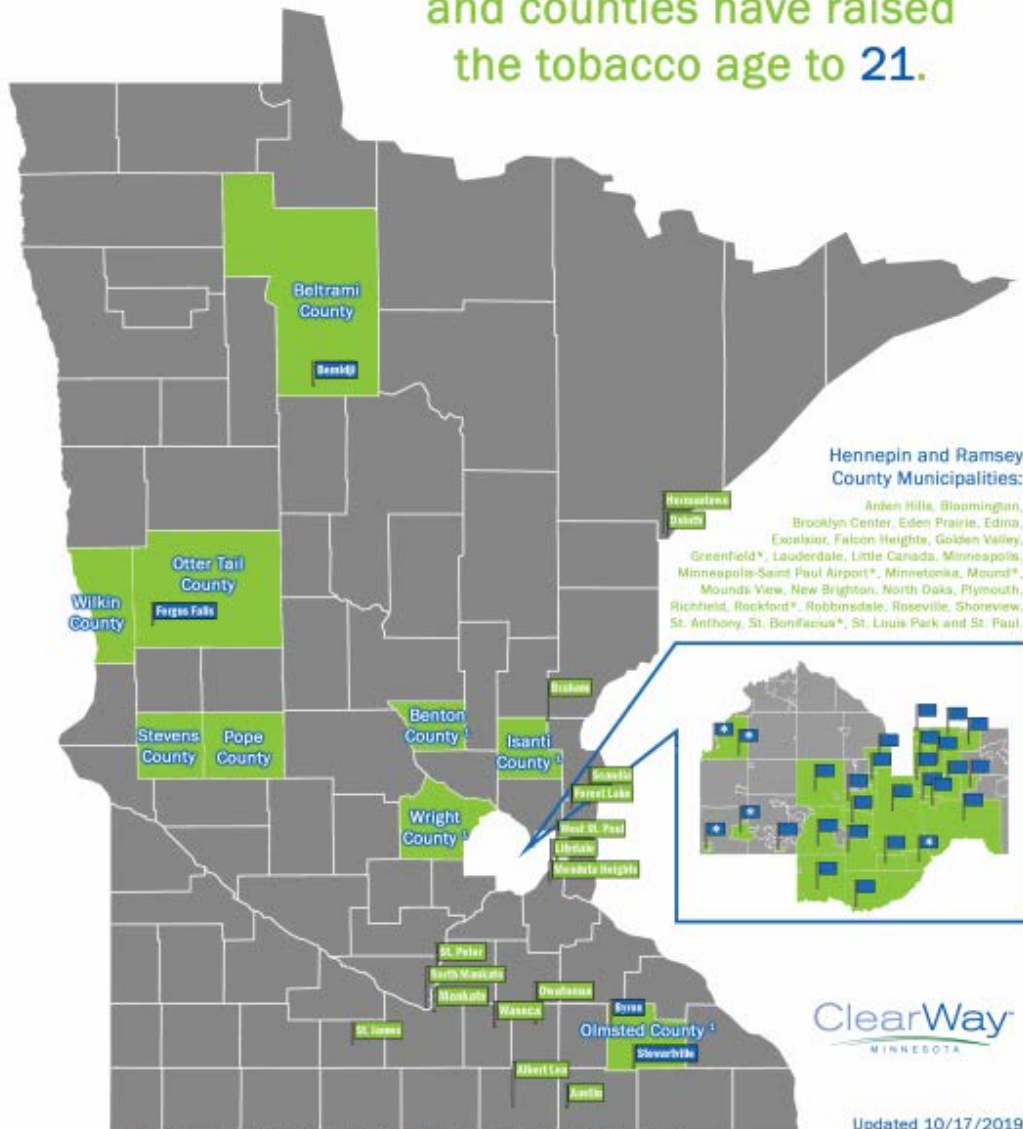

"Tobacco 21 works by putting the legal purchasers outside the social circles of most high school students, making it more difficult for 15 to 17 year-olds to pass as legal purchasers or have legal purchasers as a friend."

*Rob Crane, MD
President
Preventing Tobacco Addiction Foundation*

Tobacco 21 Policies in Minnesota

53 Minnesota cities
and counties have raised
the tobacco age to 21.

Updated 10/17/2019

TOBACCO
~~eighteen~~ twenty-one

* Kanawha County passed a policy 7/9/13. The county licenses these cities. † County policy excludes cities that do their own tobacco licensing.

Youth Statements

Northfield ASAP---we are asking

Northfield Ordinance Change

- Change age to purchase tobacco from 18 to 21
- Change age of seller to 18
- Require that tobacco license holders and their clerks go through training
- Increase fines and penalties for failed compliance checks

Questions?
