Community members Andrea Berube and Adam Olson along with Commercial Recreation Specialist Jeff Corniea presented location ideas for a splashpad in Memorial Park. They also shared cost comparisons between a freshwater system and recirculation water system. The estimated cost for the freshwater system is \$220,000. The estimated cost for a recirculating system is \$450,000. The requirements for both systems, pros and cons, were explained. The Northfield splashpad community asked what the next steps to take are to move forward in making the splashpad a reality.

A motion was made by Board Member Jothan, seconded by Board Member Hollerung, to support the exploration for construction and funding options of a splashpad in a City of Northfield Park. All in favor. Motion carried.

VI. New Business Items

4. [19-1205](#) Dundas and Northfield Park and Recreation Advisory Boards Working Together

Larry Fowler from the Dundas Council and Dundas PRAB introduced himself and the idea of collaborating on park ideas, projects and activities. Northfield PRAB members welcomed the opportunity to work with Dundas.
