Subject: Reunion request

CAUTION: This email originated from outside of the organization.

Dear City of Northfield EDA:

The entity 5th & Division Street Partners LLC, doing business as Reunion, would like to formally request a 180 day extension to our current EDA terms, with no interest or payments accruing until after the 180 day period. Reunion has been closed by the Executive order 20-04, 20-08 on March 17, 2020 and now Executive order 20-18 until May, 2020 and possibly beyond. The business during this closure period will basically have no revenue due to Governor Walz's Executive orders and COVID-19 virus pandemic (Was open for 2 days offering curbside takeout-but decided to close due to lack of business and concern for our employees- exposure to COVID-19).

Thank you for your consideration of our request. We appreciate it.

Chad Jenkinson
