Consideration of Resolution Requesting Bridge Bond Funds for Bridge L2765 Replacement (Spring Creek Road).

Action Requested:

The City Council approves the attached Resolution Requesting Bridge Bond Funds for Bridge L2765 Replacement.

Summary Report:

The City of Northfield is in the process of applying for Bridge Bond Funds for the replacement of Bridge L2765 on Spring Creek Road. This bridge, over Spring Creek, currently has a Bridge Sufficiency Rating of 32.5 out of a possible 100. The City of Northfield is required to pass a resolution in order for the application for the Bridge Bond Funding to advance.

Minnesota Statute 174.50, Minnesota Rules Chapter 8810 and specific session laws govern what is an eligible use of the State Transportation Funds and criteria for selection of priority bridge projects. The program administrator maintains a Master Bridge Priority List, which is a compilation of all eligible local bridge projects identified by local bridge owners as priority for replacement or rehabilitation.

Alternative Options:

City Council could decide not to pursue the resolution; however, additional means of funding would have to be explored to complete the project.

Financial Impacts:

The Bridge Bond Funding is estimated to cover roughly 50% of the bridge replacement construction costs, which at this time is estimated to be \$669,845 including construction contingency and overhead. The remaining funding gap would utilize the City of Northfield's Municipal State Aid fund.

- 13.2 **Termination for Cause.** The State may immediately terminate this grant agreement if the State finds that there has been a failure to comply with the provisions of this agreement, that reasonable progress has not been made, that fraudulent or wasteful activity has occurred, that Grantee has been convicted of a criminal offense relating to a state grant agreement, or that the purposes for which the funds were granted have not been or will not be fulfilled. The State may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.
- 13.3 Termination for Insufficient Funding. The State may immediately terminate this agreement if:

The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will provide the Grantee notice of the lack of funding within a reasonable time of the State's receiving that notice.
- 13.4 **Suspension.** The State may immediately suspend this agreement in the event of a total or partial government shutdown due to the failure to have an approved budget by the legal deadline. - 15 **Fund Use Prohibited.** The Grantee will not utilize any funds received pursuant to this Agreement to compensate, either directly or indirectly, any contractor, corporation, partnership, or business, however organized, which is disqualified or debarred from entering into or receiving a State contract. This restriction applies regardless of whether the disqualified or debarred party acts in the capacity of a general contractor, a subcontractor, or as an equipment or material supplier. This restriction does not prevent the Grantee from utilizing these funds to pay any party who might be disqualified or debarred after the Grantee's contract award on this Project.
- 16 **Discrimination Prohibited by Minnesota Statutes §181.59.** Grantee will comply with the provisions of Minnesota Statutes §181.59 which requires that every contract for or on behalf of the State of Minnesota, or any county, city, town, township, school, school district or any other district in the state, for materials, supplies or construction will contain

provisions by which Contractor agrees: 1) That, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no Contractor, material supplier or vendor, will, by reason of race, creed or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates; 2) That no Contractor, material supplier, or vendor, will, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause 1 of this section, or on being hired, prevent or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed or color; 3) That a violation of this section is a misdemeanor; and 4) That this contract may be canceled or terminated by the state of Minnesota, or any county, city, town, township, school, school district or any other person authorized to grant contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this Agreement.

17 **Limitation.** Under this Agreement, the State is only responsible for receiving and disbursing funds. Nothing in this Agreement will be construed to make the State a principal, co-principal, partner, or joint venturer with respect to the Project(s) covered herein. The State may provide technical advice and assistance as requested by the Grantee, however, the Grantee will remain responsible for providing direction to its contractors and consultants and for administering its contracts with such entities. Consideration of Resolution For Agreement for State Transportation Fund Local Bridge Replacement Program for Spring Creek Bridge Replacement Project, 2018STRT-A39.

Action Requested:

The City Council considers approving the attached <u>Resolution</u> entering into MnDOT Agreement 1032891 (Attachment 1) for the State Transportation Fund Local Bridge Replacement Program for the Spring Creek Bridge Replacement Project, STRT2019-A39.

Summary Report:

The Northfield City Council approved Resolution 2018-070 (Attachment 2) at its July 17, 2018 City Council meeting, requesting inclusion in the State Transportation Fund Local Bridge Replacement for Bridge L2765 located on Spring Creek Road. Northfield applied for funding from the Local Bridge Replacement Program, and was selected in November 2018 to receive grant monies from the Motor Vehicle Sales Tax (MVST) Bridge Fund for the replacement of Bridge L2765.

The City of Northfield has awarded the Bridge Project, and construction is scheduled to begin in September 2019. The final step in securing the funding is the execution of a Grant Agreement (Attachment 3) with MnDOT ensuring the City of Northfield's participation and financial obligation to fund the additional dollars to replace the deficient bridge.

Alternative Options:

City Council could decide not to pursue the resolution; however, additional means of funding would have to be explored to complete the project.

Financial Impacts:

The City of Northfield has received a construction bid of \$702,161.70. The funding breakdown for the grant and the City of Northfield's financial responsibilities are as follows:
