

Working Together

2020 10 08 Update

Submitted by Paula Granquist

At our last ACC meeting we discussed sending an e-mail to past community members who attended an event of the ACC Working Together group. Alyssa Melby forwarded her contact list to Heather Lawrenz and I so that we could draft a letter to the group. Our goal is to reconnect and check-in with these community members. Heather and I have a meeting scheduled next week to complete the draft and send out the e-mail.

The letter from the ACC to the Working Together Group will:

- send greetings and well-wishes to the group
- acknowledge the shared challenges of this current COVID-19 world
- update the group on the work of the ACC
- invite participants to share art news and ways they have adapted during this time via a shared document
- inform group members about a January ZOOM event
