

## **Working Together**

2021 10 07 Update

Submitted by Paula Granquist

**Paula Granquist (Chair), Heather Lawrenz, Rob Schanilec, Todd Edwards  
Juliane Shibata, Sam Nelson**

### **ACC Working Together Subcommittee Project Goals:**

1. Find meeting spaces and dates where the networking group can gather to collaborate and socialize
2. Update the current Northfield Area Venue List
3. Maintain Events Planning Log for decision makers to use in selecting dates for events and coordinating efforts within our community
4. Create a Tech Directory of the technically skilled people available to hire or to assist with projects and event resources available to rent or use to help produce arts and culture events

### **NOTES Highlights:**

#### **September Meeting - Monday 20 September 2021:**

- We considered ways to identify ourselves as ACC members and supporters at community events. We are looking into magnet nametags or pins.
- We discussed our role in connecting the arts and helping community members find their yes when exploring art ideas.
- We considered how our role is perceived in the community and how we can better communicate with all interested in the arts and culture happenings.
- We are reconsidering how are Northfield Area Venue List and Events Planning Log are presented on the website. We want to simplify the connection process.

#### **Next Mixer & Mingle - TBD**

- We are planning an outdoor patio gathering in November at Tanzenwald. We are still finalizing the details.

### **NEXT Working Together Subcommittee meeting:**
