The Climate Action Plan Advisory Board and Environmental Quality Commission considers two motions approving the Climate Action Plan.

Action Requested:

The Climate Action Plan Advisory Board (CAPAB) and the Environmental Quality Commission (EQC) consider motions approving the Climate Action Plan (CAP).

Alex Miller, CAPAB co-chair, will provide a short presentation on the CAP. Following discussion, members of CAPAB are being requested to make a motion approving the CAP. Once CAPAB has approved the CAP, members of the EQC are being requested to make a motion approving the CAP. If approved by both boards, the CAP will go to the City Council for consideration.
