Discussion regarding action steps for Strategic Priorities

**Action Requested:**

The Northfield Human Rights Commission will discuss setting some action items for the next few months that they can work on related to Strategic Pories #1-3.

**Summary Report:**

In May 2018 the HRC created a list of priorities and activities it could work on in the next 2-3 years. (see attached)

In order to help the HRC members feel they are making progress on these items, the Commissioners will be asked to brainstorm a list of how they might help move each item forward in the next 3-months and decide as a group on actions they want to do.
