Summary Report:

The City Council is being asked to approve the 2021 liquor license renewals. Current liquor licenses expire on March 31, 2021. The list contains a total of 32 licenses in the following categories:

- 18 - On-Sale Intoxicating licenses
- 6 - On-Sale Wine/3.2 licenses
- 5 - Off-sale 3.2 licenses
- 1 - Cocktail Room license
- 2 - Taproom licenses

Staff has been working on the license renewals since early January. Licensees were provided with copies of applicable state laws, and Chapters 6 and 50 of the City Code. Each liquor license renewal application is being

checked for compliance, which covers the provisions of Minnesota State law and City Code. These provisions include:

- Background investigations on licensees
- Review of premises layout
- Review of liquor law violations for the previous five years
- Review of insurance certificates
- Review of delinquent utilities, taxes, assessments or other financial claims

Once licenses are approved by the City Council, they will be sent to the Department of Public Safety Alcohol and Gambling Enforcement Division (DPS-AGE) for review and approval. Licenses will be issued after receipt of all required documents, any delinquent payments and successful completion of background checks.

Compliance checks of license holders were conducted March 4, 2020 by the Northfield Police Department. A second compliance check in 2020 was not conducted due to COVID concerns and shutdowns of bars and restaurants.

The City of Northfield policy regarding civil penalties for violation of liquor laws provides for penalties as follows:

1 st offense	\$250 civil penalty and require verification of retraining
2 nd offense within 2 years	\$500 civil penalty and 3 day suspension of license and require verification of retraining
3 rd offense within 3 years	\$2,000 civil penalty and 18 day suspension of license
4 th offense within 5 years	Revocation of license

Staff will be working with the City Attorney to review possible ordinance changes related to the process for assessing civil penalties to try and shorten the time between the violation and the assessment of the penalties. In addition, staff will be reviewing the penalty policy and amounts.

There may be additional liquor license renewals next meeting as we are still in the process of completing the application review process.
