Summary Report:

The City Council is being asked to approve the appointments as noted above. Additional appointments will be forthcoming at future meetings. Copies of the proposed appointees' applications for the EDA and Human Rights Commission are attached. The City received 67 applications. As part of the process, I met with available applicants for approximately 30 minutes each over the course of 11 days. These meetings provided me with a chance to get to know new applicants as well as provided a check-in time for those that I already know or that were re-applying for a position.
