Update on Central Block building

SUMMARY AND ACTION REQUESTED:

The HPC hears an update on restoration work to the Central Block building.

BACKGROUND:

The Central Block building, 401 Division, sustained damage during the tornados last year. Restoration Service Incorporated has been hired to do the repair work. The project is being led by former HPC member Dan O'Leary. He is coming to the meeting to give a report on the restoration and how it is being done to national standards.
