Summary Report:

The Northfield City Council reviewed and provided input on the attached Rules of Business for City Council meetings (attachment 1) and related documents at their January 10, February 14, 2017 Work Sessions. The Council provided input on particular topic areas. Staff incorporated that input into the attached Northfield City Council Rules of Business/Meeting Rules. Following discussion at the March 7, 2017 City Council Meeting, Council voted to postpone action on this item until March 21, 2017.

Council motions made prior to the postponement of this item on March 7, were as follows:

A motion was made by Council Member Zweifel, seconded by Council Member Peterson White, to approve the attached City Council Rules of Business/Meeting Rules, Rules of Order and Rules of Decorum and chooses seating assignment option B to be incorporated into the final document.

A motion was made by Council Member Ness, seconded by Council Member Nakasian, to amend the motion by striking the following words in the second sentence of 8., "before the start of the meeting" and strike the first bulleted item "Preregister to speak before the start of the meeting."

A motion was made by Council Member Nakasian, seconded by Council Member DeLong, to postpone

this item to the next regular meeting, March 21, for further discussion. The motion carried by the following vote:

Yes: 4 - C. DeLong, C. Nakasian, C. Ness, and C. Peterson White

No: 2 - C. Zweifel, and Mayor Pownell

Staff incorporated the items noted in the above motion in the attached draft as well as well as in the motion under action requested. Staff included alternative actions noted as alternative motion #1 and alternative motion #2. Staff left the address language in the proposal for purposes of identifying whether persons are within a particular project area or affected by a particular action based on residence or business address. If Council finds no value in that, it can be stricken from the language and cards.

Staff completed a search and replace of all areas where “comment card” was used and replaced with “sign up card.” Examples of the existing sign up card and proposed sign up card are attached as attachment 6.

Alternative Options:

Council could choose to make additional changes to the proposed documents or delay action to a future meeting.

Financial Impacts:

Not applicable.

Tentative Timelines:

The “EComment” is subject to a minimum of one year contract. Therefore, it is suggested that the software will be evaluated as the one year agreement is completed.

Staff is also suggesting that as a matter of continuous improvement the Rules of Order may be evaluated on an ongoing basis. It may be appropriate to formally discuss them in six to twelve months but are not intending on deciding on a particular date at this time.
