Consider Draft Climate Action Plan Survey

Action Requested:

Discuss of Draft Climate Survey (No Action)

Summary Report:

The Climate Action Plan survey addresses one of the 2018-2020 Strategic Plan goals to develop and deploy an awareness survey. The goal of this survey is two-fold (1) to inform and involve the community in the development of the climate action plan and (2) to inform the committee about what the community thinks are the most important issues and where people need more education.
