City Council Meeting Date: August 2, 2016

To: City Council
City Administrator

From: Mayor Dana Graham

Consider Approving Appointment to the Environmental Quality Commission

Action Requested:

The Northfield City Council approves the appointment of George Kinney to the Environmental Quality Commission to fill a vacant term ending December 31, 2018.

Summary Report:

The City Council is being asked to approve the appointment as noted above. Mr. Kinney has a Master's degree in Environmental Chemistry, over 30 years of work in private and public sector work doing environmental testing, regulation and cleanup. Mr. Kinney previously served on the EQC and is conversant with many of the current issues. His application is attached.
