In addition to clubs, charitable, religious, or other nonprofit organizations, the city may issue to a brewer who manufactures fewer than 3,500 barrels of malt liquor in a year or a microdistillery a temporary license for the on-sale of intoxicating liquor in connection with a social event within the municipality sponsored by the brewer or microdistillery. Temporary licenses are limited to a total of 12 days per year, to any one organization or any one location within a 12-month period.

Financial Impacts:

The City receives \$350 for this temporary liquor license.

Tentative Timelines:

Licenses must be sent to the Minnesota Alcohol & Gambling Enforcement Division for review and approval at a minimum of 30 days prior to the event.
