Update on Dresden Hills Park

Action Requested:

The Northfield Park and Recreation Advisory Board receives an update on the playground equipment and the “Little Library” at Dresden Hills Park.

Summary Report:

The City Council along with the Park and Recreation Advisory Board accepted a donation to install additional playground equipment along with approving the installation of a “little library” at Dresden Hills Park.

The streets and parks department has recently installed the additional playground equipment and the “little library”. Attached are pictures of the playground and “little library”.

It appears that these items are being used on a regular basis.
