EDA - HRA Joint Meeting Request

SUMMARY:

At the last HRA Board meeting, HRA Commissioners requested a joint work session with the EDA. The HRA feels they have some common goals with the EDA, and would like to work with the EDA toward those goals.

The meeting is yet to be scheduled. Housing Coordinator, Janine Atchison, and Economic Development Coordinator, Nate Carlson, will be preparing the agenda for the meeting. Please provide Nate Carlson with any specific recommendations for the meeting no later than September 22.
