Housing & Redevelopment Authority 2020 Budget

SUMMARY AND ACTION REQUESTED:

The Housing & Redevelopment authority (HRA) to review proposed budget for 2020.

BACKGROUND:

Each year the HRA adopts a budget for the following year. Proposed budget for 2020 to be considered and adopted according to the following timeline:

July 1, 2019	Budget proposal presented by staff Strategic Planning Goals Questions/Priorities/Feedback provided to staff
July 23, 2019	Budget Work Session
August 27, 2019	Adopt Final HRA Budget

The HRA's main source of revenue comes from ad valorem taxes. The HRA also received income from rentals, interest and other miscellaneous sources.

The proposed budget includes estimated expenditures for 2020. The basis of the increased, or decreased budget suggestions are explained later in the analysis portion of this report.

Staff has added a worksheet to discuss how HRA ad valorem tax revenue is estimated for the Board Members to review. Revenue for 2020 is based on the total market value of Northfield properties in 2019. The actual 2019 total market value is then multiplied by .0185% to determine the revenue to be received by the HRA from ad valorem taxes in 2020.

The Fund Balance Summary is also included in this report. It has been revised to show the progression of the fund balance since 2016.

ANALYSIS:

- Ad valorem tax revenue is estimated to be \$267,504 in 2020. Review of the HRA Ad Valorem Tax Worksheet will show that Staff is expecting a 4.3% increase in revenue, which is the average of previous actual annual increases.
- Interest income is based on 1% interest rates and will be adjusted in the future if rates increase.

CHARGES FOR SERVICES

Programs and Public Service

- The HRA Board requested staff to designate line items in the budget for programs & public service projects such as the Northfield Union of Youth (NUY) Homeless Prevention Program (Wallflower Project), Street Assessment Assistance Program, Fall Clean-Up Program and any additional programs. In the past, funds for these programs were budgeted to the Capital Outlays fund 295-5220- 5520, along with funds for improvements to HRA properties and other expenses. The City Finance Department met with Staff and determined the best method for budgeting and tracking funds for programs. Beginning in the 2020-budget year, funds budgeted for public service programs will be placed and tracked in fund 295-5220-3309. Previous budget for this line item was \$0. Staff is proposing the 2020 budget for this item be reduced by 78% from \$75,506 to \$16,592 to offset the funding increase in the Programs and Public Service. The budget of \$16,592 should be adequate for any improvements required at the HRA owned rental properties.
