Way Park Paver Patio Update

Action Requested:

The Northfield Park and Recreation Advisory Board is updated on the status of the paver patio at Way Park.

Summary Report:

The paver patio has recently been completed. Rojas landscaping did the work. This project was a joint venture between the City of Northfield and Friends of Way Park. Both entities paid \$5508.20 for the paver patio and landscaping. The paver patio and ROMP are now tied together with the continuation of the edging and mulch.
