

Legislation Text

File #: 20-466, **Version:** 1

EQC Meeting Date: September 16, 2020

To: Members of the Environmental Quality Commission

From: Beth Kallestad, Program Coordinator

Water work group article review

Action Requested:

The EQC will review an article the Water work group has written.

Summary Report:

The Water work group has been developing some community education materials around water and the climate action plan. The group will share an article they have drafted and look for feedback from EQC prior to submitting to news media for publication.
