EQC Meeting Date: October 21, 2020

To: Members of the Environmental Quality Commission

From: Beth Kallestad, Program Coordinator

Presentation on the CAC Affordable Housing Development

Action Requested:

The EQC receives a presentation from CAC Board Member Alex Miller on the new Affordable Housing Development.

Summary Report:

The Northfield Community Action Center (CAC) works to maintain and increase affordable and emergency housing in Northfield. This includes an ambitious and exciting new development of 17 units at 1050 Highway 3 N. Their dream is to build a Net Zero Energy community of affordable housing and emergency shelter.
