

Legislation Text

File #: 20-533, **Version:** 1

EQC Meeting Date: October 21, 2020

To: Members of the Environmental Quality Commission

From: Beth Kallestad, Program Coordinator

Priorities discussion

Action Requested:

The EQC discusses Climate Action Plan priorities and intersection with other City plans.

Summary Report:

A subgroup from EQC (Brian and Beth) are meeting with subgroup from Planning Commission to discuss shared priorities from the Climate Action Plan and intersections with the City's Comprehensive Plan and Land Development Code. At the September EQC meeting, the EQC members were asked to review these documents and be prepared to discuss some top priorities at the October meeting.
