To: Members of the Heritage Preservation Commission

From: Mikayla Schmidt, City Planner

Proposal to add Documented Features to the Chicago Milwaukee St. Paul & Pacific Railway Depot (Northfield Depot).

Action Requested:

The Heritage Preservation Commission (HPC) is asked to act as a resource and in an advisory capacity to Save the Northfield Depot (STND) on their proposal to add two documented features to the Northfield Depot - 1.) a NORTHFIELD sign on the north and south ends of the depot and 2.) the addition of restored order board on the west side of the depot.

Summary Report:

Alice Thomas, Secretary of STND, approached staff to have the HPC review the proposed addition of a NORTHFIELD sign on the north and south ends of the depot and the addition of restored order board on the west side of the depot.
