Meeting Date: May 19, 2022

To: Members of the Planning Commission

From: Mikayla Schmidt, City Planner

Presentation by St. Olaf College Students on their Land Development Code Student Revision Project.

Action Requested:

Staff requests the commission hear a presentation from St. Olaf students Tyler Asher, Anders Bergsten, Syd Garrison, Ryan Harvey and Miranda Lentz. The project is part of their Environment Studies 237 course with a focus on Academic Civic Engagement.

Summary Report:

The students will present their attached slide deck. A final report from the students, of potential changes to the land development code with an annotated bibliography, will be completed early in the week before the meeting. Staff will send the report to the Planning Commission as a supplemental memo when it is completed.
